ABDULLAH I. AL-ZUHAIR TRADING EST.

COMPANY PROFILE

We are one of the leading trading business house, dealing with spare parts for construction and industrial equipments.

Now serving for more than 30 years in the market and dealing with various international manufacture and suppliers has given us tremendous exposure. Which has enabled us to compete well enough in the market and avail competitive price for our customers.

Service to customers is our motto and first priority. We strive for excellence and professionalism in our field. To enable us to maintain our standard, we are proud to have well-qualified trained personnel, who are well acquainted with customer's requirements and needs. In the rapidly growing and changing market conditions we constantly strive to learn faster than our competitors to sustain and have an edge on competition.

Technology may well be the same within companies in the same industry... it's people that differentiate one organization from another to provide that extra productivity and profit edge. The high capital costs of heavy equipment, a competitive economy, short seasons, inclement weather, and unpredictable project variables all demand, now, more than ever, that operators be alert and aware, as well as caring, competent, and accountable.
